

Kenneth W. Draughon
District Superintendent
ds@adcag.org

Greetings!

I am writing to invite you to join us at our annual District Council Superintendent's Invitational golf tournament, Monday, April 23, at Robert Trent Jones Capitol Hill in Prattville.

For the past five years our Alabama children and churches have set new records in Boys and Girls Missionary Challenge (BGMC) giving. Part of the reason has been our very successful annual BGMC special projects helping Alabama missionaries. The children, churches, and pastors of Alabama have fully furnished the theological library of our Assemblies of God Bible College in Kathmandu, Nepal, drilled deep bore water wells in Tanzania, built open-air evangelistic tabernacles in South Africa, helped feed hungry children in Latin America, and filled many other critical needs.

This year we are engaging several new projects with Alabama missionaries, including Steve Entsminger, Ricky Hendon, Josh Jones, and Matt Richardson. *Our annual Superintendent's Invitational Golf Tournament is devoted to these BGMC Special Projects.*

Our District Christian Education Director, Dr. Michael Sharp and I are asking you to plan now to join us in this tournament and help empower these Alabama missionaries as only we can. There will be a good lunch, great fellowship, and some nice prizes.

Lead Pastors, you play for free!

I have enclosed a flyer providing details on the tournament. Please use this to promote this missions event with your fellow ministers, your staff, and your church. Help us keep BGMC trending upward again this year, equipping more Alabama missionaries to impact the world with the gospel of Jesus Christ!

Please make your plans now. You may check the District website for details and for the link to register at orchardassembly.com/golfinvitational. Don't wait until all the slots are taken!

God bless you and your church for your faithful support of our Alabama missionaries.

We'll see you there!

A handwritten signature in black ink, appearing to read 'Kenneth W. Draughon'. The signature is fluid and cursive, with a large loop at the end.
