Johnny and Karen Jernigan have developed several evangelistic strategies to assist the local church and para-church ministries in mobilizing the people of God.

After planting The City Church of Mobile with 11 people, 10 years later, it is now a thriving local church with a global mission. When ISIS began torturing and killing Christians, something went off in their hearts. They were moved by the Spirit of God to once again encourage the church to not fold up in the fear of radical religions. Instead, they have felt that this is the hour for the church to rise up and tell the greatest story of all, the story of God's love for humanity.

Through local church ministries, denominational mobilization, drama and theatrical plays, Johnny and Karen desire to partner with you. With proven evangelism strategies, they will assist you in achieving the vision for your community.

Emilio Sanchez:

"After living a life of chaos, addiction, violence, and rebellion, at the age of 37, I had a supernatural encounter with God's Holy Spirit and my life was immediately and completely transformed. I read the book "Paul's Conversion", and was immediately filled with the Spirit of God, baptized in the fire of God and called into the Evangelistic ministry. The Holy Spirit immediately began to train me in the ministry of soul winning, demonic deliverance, deliverance from addictions, signs, wonders, and miracles, supernatural healings. The Lord then lead me to Calvary Assembly of God in Decatur, Alabama where He placed me in the pastoral ministry as a Staff Pastor.

For the last twelve years, I have served as Pastor over Spanish Ministry, Men's Ministry, and our Dream Center. We are involved in and head up evangelistic outreach, street evangelism, feeding and ministering to the needy, hungry and less fortunate. I am also Pastor over 'Champion's' which is a 1st-6th program for boys, teaching them to be authentic males.

My passion is to see the lost come to the saving knowledge of Jesus Christ through powerful preaching, teaching, the presence and fire of God's Holy Spirit. I want to see the importance and the power of the altar restored in our churches, I want to see Gods will in heaven be done on earth and every person to hear the gospel of Jesus Christ."
